April 2023

See a familiar face? 64 Fraternity & Sorority Life Community leaders came together in the inaugural leadership retreat weekend in Wisconsin Dells! Student participants had the opportunity to focus on problem-solving, leadership development, values-based decision-making, effective communication, and community development through large and small group activities. We can't wait to see what they do for the community!

We took 17 Student Leaders to the Association of Fraternal Leadership and Values (AFLV) and the National Black Greek Leadership Conference (NBGLC) in Indianapolis, Indiana!

In January, Chapter Presidents and Council Officers participated in Leadership Summit. In a partnership with the Harbor Institute, we explored the concept of leaving a legacy,

growth, and creating a more inclusive FSL Community.

April is Sexual Assault Awareness Month

A time to raise awareness and promote prevention of sexual violence! As members of a community that values respect and safety, it's important to come together to learn about the realities of sexual assault and ways to prevent it. This month, let's work together to create a culture of consent and support survivors of sexual violence. Join us in taking action to end sexual assault on our campuses and in our communities. Let's make a difference and stand up against sexual violence!

As campus prepares for the high-risk Mifflin weekend, UW-Madison Police Department shared party safety tips for those who choose to engage:

- Mifflin is **NOT** a University-sanctioned or City of Madison-sanctioned event
- Stay off the Street
- Stay off Overcrowded Balconies
- Do not Drink Anything You Didn't Open or Prepare Yourself
- Have a Plan and Share it with Others
