## FSL Student,

As we embrace the blossoming beauty of spring, we're thrilled to bring you another edition filled with exciting updates and valuable insights. With March upon us, it's hard not to feel the excitement in the air as spring break approaches.

## AFLV 2024

Earlier last month, some of our fraternity and sorority members embarked on a transformative journey to AFLV Central in Indianapolis! AFLV, the Association of Fraternal Leadership & Values provided an enriching (and fun!) experience that has left a lasting impact on our members. Hear more about their experiences on the next page.

## Welcome Andie!

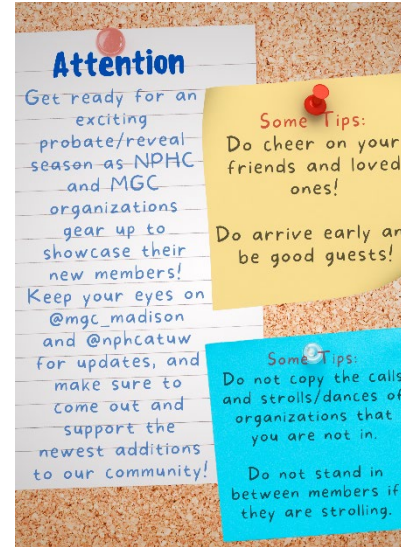

Join us in welcoming the newest addition to the FSL Team, Andie!

## Women's History Month

March is Women's History Month! We salute the incredible women who have shaped history and continue to inspire us everyday. Celebrate the achievements, resilience, and contributions of women in our communities and across the globe!

Season is Approaching!**

"Hi! My name is Andie Kobrick and I'm excited to be here at UW as a Fraternity and Sorority Life Specialist. I previously was at the University of Kentucky as a Fraternity and Sorority Life Program Coordinator. I did my graduate degree at Western Illinois University and my undergraduate degree at Loyola University Chicago where I joined my sorority, Chi Omega. I am excited to explore Madison with my puppy, Peach, and go to the farmer's market this summer. In my free time I like to watch TikToks, cook, hiking, shopping, and doing puzzles."

### **AFLV 2024 Reflections**

**What was your favorite/most memorable experience at AFLV?**

"The most memorable experience I had would honestly have to be meeting other Brothers from my organization. It was really great to connect with one another and share our experiences with the Fraternity and how we are doing at each University. We immediately grew close and have created relationships that I know will continue for years to come."

**Elias | Lambda Theta Phi**

"My most memorable experience at AFLV was performing in the Multicultural Showcase. I also really enjoyed the celebration after the performance as I got to see a lot of people leave their comfort zones and put on a show."

**Fifi | Kappa Alpha Psi**

"The sessions were great, I think my favorite part of the conference was just hanging out and connecting with members of other councils. I usually just interact with members of my fraternity or other members of the IFC community, and so it was a great opportunity to meet members of other communities that I might not have gotten to otherwise."

**Matan | Zeta Beta Tau**

### Why should a student attend AFLV?

"A student should attend AFLV if they are interested in bettering their organizations and the council they're a part of. The sessions talk about a variety of different topics from recruitment/retention to community engagement, leadership, and many more familiar topics. Students should also attend to network and make connections, as there are a lot of like minded people who are passionate about what they do. I feel like the best way to learn is to learn from other experiences and their ideas." **Adella | Sigma Psi Zeta & MGC President**

“Well, first off, the trip is free for students to attend! On a personal level, I believe students should attend AFLV because when you go you can meet a plethora of people, gain meaningful connections both social and professional, and learn something new.”

**Marcellus | Kappa Alpha Psi & NPHC Vice President**
